

2014-2015 L9 Service Projects

This year L9 will have two service projects with their class that are required for Confirmation. One service project will be at St. Therese of Oxbow Lake and the other will be a Pro-Life service project here at St. Vincent de Paul. Please check the lists below for your catechist's name and which date you are scheduled for, for each of the required service projects. You will be responsible for your own transportation to the service projects.

Service Project:

**St. Therese of Oxbow Lake
9751 Regent Ave
Brooklyn Park, MN 55443**

**Time: Thursdays at 6:00 PM – 8:00 PM
OR
Saturdays at 9:30 AM – 11:30 AM**

St. Therese of Oxbow Lake is a facility for seniors which is able to care for all stages and needs of aging. For this service project your child will need a ride to St. Therese and a **Signed** Service project Consent form filled out prior to attending. If a student is dropped off without the form the Catechists will call you to return with a signed form. **NO EXCEPTIONS.** The Catechists are not able to give car rides because of insurance reasons.

Please arrive 10 min prior to your start time listed above and come to the entrance of St. Therese that is across from the Fire Station. Please use the address above when finding directions as there are two entrances to St. Therese with different addresses which could cause confusion. The receptionist will let you in. Wait for your teacher as you will head up to the care suites as a group. Pick-up on Thursdays will be at 8:00 pm and on Saturdays at 11:30 AM at the same entrance.
