

EMERGENCY/STORM SCHOOL CLOSING

In the event of an unexpected school closing bus riders will go home as usual. **All car riders must find someone to go home with on a bus.**

If your child **cannot go home, daycare, or to a neighbor on a bus**, think of a friend in school they could ride home with. **Contact your emergency/storm family for permission to use them for your child. Your child will call you from there. A phone will not be available for children to call you for a ride.**

Please instruct your child/ren how and where they will go for the early school dismissal.

Keep in mind that in case of an emergency, you probably would/will not be listening to the radio or watching television.

Please call the school office at (763) 425-3970 with any questions.
