

Catholic Social Teachings
Rights & Responsibilities of the Human Person

We invite you to include your deceased loved ones in our daily prayer during the month of November. We pray that they are united in joy with God and express our hope that one day we will join them.

We are taking this opportunity to remind you of our *Remembrance Book that we started in the 2002-2003 school year*. This book is in the entryway of our school. You may add **new names** by listing them on the lines provided below. Return this sheet to the school and we will transfer them to the Remembrance Book.

Feel free to continue to add names throughout the year to our book for those deceased people you want remembered in prayer. Our school community will remember your loved ones each day in prayer.

Please **print** the names so we will transfer them correctly into our Remembrance Book.

*In Life and Death,
We belong to the Lord. Romans 14:8*
