- **Bus service** will be provided once again to families in the Anoka School District and in the Brooklyn Park area of Osseo School District #279. The fee will remain the same as last year:

Champlin \$525/student for both ways; \$275 for 3rd child
Brooklyn Park \$300/student for one way; \$175 for 3rd child

These fees will be paid through Smart Tuition. If you have not already done so, please let the school office know that you would like your children to be on the bus.

- It was so nice seeing everyone at **Open House**. A big thank you to the **Home & School Committee** for coordinating everything and to everyone who helped to make the event such a success. It was a wonderful way to get geared up for the upcoming school year.

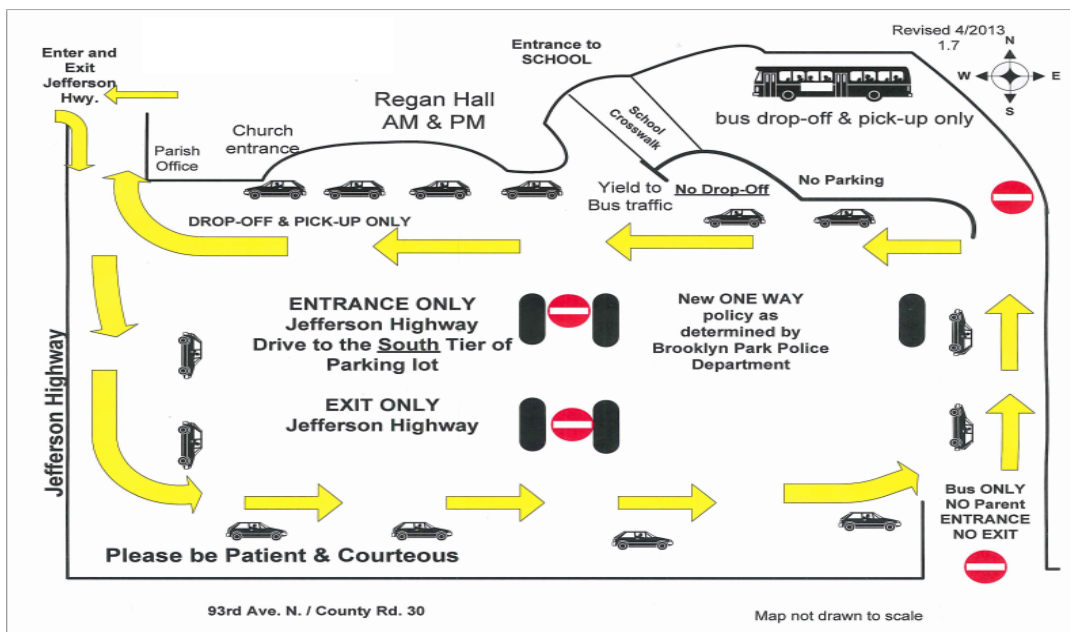

Student Drop-Off and Pick-Up Procedure

Our student drop-off and pick-up procedures will remain the same as we had them last year.

Drop Off: For the safety of our students and to help the car line run smoothly, please keep in mind these key items:

- 1) Students should exit from the sidewalk side of the car. No child should exit from the parking lot side of the car.
- 2) We encourage students to start to get ready to exit the car when they reach the beginning of the fence.
- 3) Unless told otherwise by school staff, all cars should wait to move until the car in front of them moves. Please do not exit the car line once your child has been dropped off.
- 4) If you need to come into the school at drop off, please take your child through the drop off line and then park on the school side of the parking lot (not in front of Regan Hall).

If you are picking up your child from school, please follow the same map. Students will be outside on the sidewalk with their teachers. When you pull up, school staff will ask for your last name and yell the last name of the student and they will be helped into the car. If you carpool with someone, please be sure that all students know the last name they should be listening for.

Smart Tuition

Tuition payments were due through Smart Tuition beginning August 15, 2014.

In addition to tuition payments, please see the schedule for additional payments that will be billed through Smart Tuition and the dates that they will be due:

August 15, 2014 Smart Tuition annual fee: \$50.00/family

September 15, 2014: Classroom fees (vary per classroom) and Home & School fee; \$10.00/family

October 15, 2014: Technology fee, \$50.00/student

February 15, 2015: Pottery fee, \$22.00/student

**Field trips will be added as they are scheduled and will be billed through Smart Tuition.*

Medical Information

Emergency Medical Information Forms:

Please review your Cornerstone account and note any changes (cell phone numbers, doctor information, medical information, etc.) that may have occurred over the summer.

We ask that all families update your student's emergency information on Cornerstone. It is necessary that we have this information in the event of an emergency with your child.

No Shots/No School

All students entering kindergarten or 7th grade must have their immunizations up to date per Minnesota State Law 123.70. Students will not be admitted to the classrooms without an up-to-date immunization record in the school office prior to the first day of school on September 2nd 2014. Medical history and physicals are recommended for both incoming 4th & 7th grade students.
