

July 23, 2013

We are looking for a part-time after school nanny for our 2 boys who are 6 and 9 years old. We need someone for the 2013-2014 school year; starting in September. Our need is Monday through Friday, getting them off the bus around 2:30 p.m. and staying with them at our home until 5:00 p.m. (though we can be somewhat flexible).

We are really looking for someone who is extremely responsible, outgoing, truly enjoys kids, and will help our boys get through their homework and manage the standard after-school responsibilities.

Previous babysitting/nanny experience is required. Applicant needs to be willing to supervise and assist with homework, play indoors and outdoors and create a fun, unique and safe environment for our children. Ideal applicant would have their own car and must have a clean driving record. Living in close proximity to Osseo / Maple Grove is also important, ideally less than 10 miles away. Applicant should be a non-smoker and be comfortable with small pets.
